B. EGMF-22527, dated 8 August 1956 - RECAPPELIN-1 Finances MSS-56

D. EGMF-3681, dated 9 February 1956 - Summary MOR + Request for New MOR

Action Required: None; for information and files.

1. Just as MDE failed to locate references A and C when reference B was written, undoubtedly reference C failed to come to Headquarters attention when reference D was prepared. It is felt that reference C provides answers to all questions posed by Headquarters, to wit, the new and approved Memorandum of Oral Agreement which supersedes previous oral agreements stipulates duration, obligations, limitations and contains a clause for emigration.

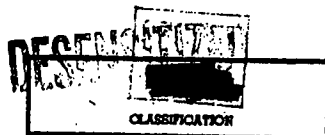

2. However, concerning paragraph 1 (d) of the Oral Agreement, and paragraph 12 (a) of the project, since both the ex-mistress and divorced wife have emigrated to the North American continent, resettlement for the disaff side, as provided under PI 110, Section 8, should be nullified if such has not already been effected. Mention of his wife should be excluded in subsequent processing of the oral agreement and project.
